Scripture for the Message: Genesis 21:8-21

8As time went by and Isaac grew and was weaned, Abraham gave a big party to celebrate the happy occasion. 9 But Sarah saw Ishmael - the son of Abraham and her Egyptian servant Hagar - making fun of Isaac. 10 So she turned to Abraham and demanded, "Get rid of that servant and her son. He is not going to share the family inheritance with my son, Isaac. I won't have it!" 11 This upset Abraham very much because Ishmael was his son. 12 But God told Abraham, "Do not be upset over the boy and your servant wife. Do just as Sarah says, for Isaac is the son through whom your descendants will be counted. 13 But I will make a nation of the descendants of Hagar's son because he also is your son." 14 So Abraham got up early the next morning, prepared food for the journey, and strapped a container of water to Hagar's shoulders. He sent her away with their son, and she walked out into the wilderness of Beersheba, wandering aimlessly. 15 When the water was gone, she left the boy in the shade of a bush. 16 Then she went and sat down by herself about a hundred yards away. "I don't want to watch the boy die," she said, as she burst into tears. 17 Then God heard the boy's cries, and the angel of God called to Hagar from the sky, "Hagar, what's wrong? Do not be afraid! God has heard the boy's cries from the place where you laid him. 18 Go to him and comfort him, for I will make a great nation from his descendants." 19 Then God opened Hagar's eyes, and she saw a well. She immediately filled her water container and gave the boy a drink. 20 And God was with the boy as he grew up in the wilderness of Paran. He became an expert archer, 21 and his mother arranged a marriage for him with a young woman from Egypt.

Dear Church families~

In the month of October the Sunday School children will be studying LUKE 2:41-52, Jesus in the temple.

As part of the rotation, I would like to make a Jewish Temple setting. In order to do so I will need a cabinet with 2 doors to use as a *Aron Kodesh*, which is Hebrew for Holy cabinet. The *Aron Kodesh* is needed to store the *Torah* (the first 5 books of the Old Testament) scrolls in. If anyone has a cabinet I can borrow through

the month of October please let me know ASAP. thank you! 😊

\*Shalom,

\***Shalom** is a [Hebrew](#) word meaning *peace, Nothing missing, Nothing broken, wellbeing, and complete*, and used to mean *hello*, and *goodbye*.
